Residential on 0.11 Acres

17-C, Dartmouth, NS

Don't be fooled by the front of this well cared for family home in Woodlawn area. It is larger than you think. Alberta back split creates a wonderful feeling of space for the growing family. Many years have been enjoyed by a family in this neighborhood, close to parks and good schools. Wonderful back yard with loads of trees and privacy. Large shed in the back for that outdoor storage that every family needs. This home offers a unique layout with sunken living room letting in loads of light. Very functional chef's kitchen with separate dining room for those special events for family gatherings. Bedrooms are a good size and there is a large recreation room for all to enjoy while sitting around the propane fireplace. Built in book cases and separate 4th bedroom with 3 pc full bath for guests or the teenager in your family. I love the separate laundry room with cold room off the back entry way for extra storage. This is a great house at a great price. Open House Sunday Feb 26th, 2017 2-4pm Come by for a look!
