Affordable home on over an acre of beautiful land. This home has a large front yard that is beautifully landscaped and a massive backyard completely private and surrounded by trees. The home is 2 years old built by Marchand Homes. The owners had a number of upgrades done when building this home starting with the lot, it is one of the nicest lots on the street. They then had a larger deck with stairs to the backyard added. Inside the home they made some great choices adding a custom fireplace that just looks amazing. They then upgraded the flooring to a gorgeous Cherry Hardwood as well they selected beautiful Granite counter tops for the kitchen and each bathroom. Then they focused on the finer details of the home choosing upgraded bathroom fixtures such as the sinks, taps, shower and yes even the toilets. Next they added extra insulation and an energy efficient ductless heat pump.
