Property to do whatever you want. This parcel will consist of just under 60 acres of natural forest after the subdivision. Most of the large wood has been cut years ago.. It would make a nice quiet place to build that dream home and still be 10 minutes to Bridgewater or New Germany. Wentzells lake is just down the road if kayaking, skating or canoeing is what you like. Owner says that from the top of the hill you can see from New Germany to Bridgewater, What a place for a house!
