Looking for a lot to build your next home or cottage? Your new address can be Tupper Street in Milton, with views of the Mersey River. This small, partially cleared property is perfectly situated in a very sought-after location because of its proximity to the river. There are many nearby trails and parks, plus you can step out your door and go for a paddle three seasons of the year! It is only a few minutes drive to Liverpool, which has all the amenities there, including the historic Astor Theatre, modern schools, hospital, and a recreation centre, and it is also close to Highway 103.
