3 Bedroom, 3.00 Bathroom, 2,345 sqft
Residential on 1.42 Acres

26-B, Beaver Bank, NS

Last night I had a dream! Pulling into the driveway after work, I waved to my partner as they stood on the front veranda to greet me. Parking in the garage, I entered the house and was greeted by our friends who had joined us for dinner. The spacious kitchen and dining area gave plenty of room for us to enjoy the company while we cooked. With the nice weather we were able to sit on the back deck and barbecue while we watched the children run and play in the large backyard. Later that evening once people left, we headed upstairs where I relaxed in our ensuite’s jet tub while my partner put the kids to sleep in their rooms. For the rest of our evening we unwound in our cozy living room, enjoying the privacy and quiet the large lot and plenty of trees gave us. It was a beautiful dream, and one that can easily be yours!
