Residential

A1, Chester, NS

A Chester Village classic. "Tamarack" has a solid pedigree. Built approximately 160 years ago, Tamarack was a separate private residence for the Hackmatack Inn, where the wealthiest from the Boston States would stay to take in the Yacht Races and summer social events. This now year round home with 4 bedrooms and 3 bathrooms sits proudly on a knoll just steps to the Village center and the Chester Yacht Club. Close but quiet. The feeling when you step inside is "This is a true Chester cottage, casual, put your feet up and relax". Very bright throughout. The living room has a pleasant view of the West facing rear gardens and the dining room is large enough to bring the whole crew back after the races! There is a woodstove to add to that cozy downhome atmosphere. The main floor has the 4th bedroom or Den and a lovely 2pc bath with laundry! 3 pleasant bedrooms and two 3pc baths upstairs. The West Side stone patio is private and perfect for BBQ'ing and entertaining plus an East Side deck for morning coffee. The established garden with stone walls are mature with a variety of blossoming perennial's and shrubs. There is also an attached garage perfect for storing your "boat stuff". Chester is just 45 minutes from downtown Halifax and about an hour to the Halifax Airport. Being a home owner in Chester, you are eligible for membership at the Chester Golf Club. For location, and character this home can not be beat!
