Residential

V1, Windsor, NS

Classic split-entry home on desirable Lakeview Drive in Windsor. Water views, trail behind the home, and power-company owned land both next door and across the street make for minimal neighbours and nice space/privacy. Potential abounds in this 3 bedroom, 2 bath home with generous elevated deck on the back side, walkout from the lower level, yard shed, and paved driveway. Traditional split entry layout includes large kitchen located at the top of the stairs, separate dining room with access to the deck, circular flow in the living areas of the home, and 4-season sunroom with deck access and partial glass roof completes the main floor. Additional space in the lower level with many potential uses complete the package.
