Live in the Lap of Luxury! Cresco is proud to present the "Himalayas" - an impressive new product to the market, and definitely not your average townhome. Under Construction, this middle unit has 3 bedrooms, 4 baths and a total of 2357sqft of affluent living space plus a walkout lower level. Built with a contemporary design and upgraded with the most exquisite finishes, you will be impressed with the level of detail and customizations offered. One of the most notable features of this design is the glass veranda on the front of the home " in addition to the large rear deck (12 x 20) with glass railings on the back of the home. With plenty of outdoor space and a beautiful open concept interior this home is perfect for entertaining and family time. Introducing the new and efficient way to heat (and cool) your home, it is equipped with a multi-zoned ducted heatpump for your comfort. Contact us for the full list of inclusions, but here are few just to spark your interest: 12ft patio doors on main and lower level, executive series countertops, waterfall kitchen island, quartz kitchen backsplash, customized glass shower in the master bathroom with a schluter base, alcove plus a freestanding tub in the ensuite, glass railings throughout, and there is just so much more! Contact one of our new home construction sales specialists today to learn more.
