3 Bedroom, 3.00 Bathroom, 2,319 sqft

Residential on 0.11 Acres

40-A, Timberlea, NS

The "Highview" design by Signature Homes Ltd. Completely built and ready to own, has three fully finished levels, a Tesla charger in the garage, appliances, golf course view and more. The open concept layout on the main floor features a 15,000 BTU heat pump, a galley kitchen equipped with stainless steel Samsung appliances, quartz countertops and a spacious island complete with an undermounted stainless steel sink, built-in dishwasher and extended countertop for bar stool seating. Ceramic backsplash, black hardware and cabinets with undermount lights are pleasant finishes to appreciate here too. The living room, at the front of the house, features 2 large windows for plenty of natural light. At the back of the house the great room features a beautiful electric fireplace surrounded with tile from the floor to the ceiling, creating a nice focal point in this space. A large three panel window brings in lots of light and the sliding door leads to the rear deck, spanning the width of the house, has plenty of space for entertaining or relaxing. A privacy wall on one side and views of the Links at Brunello Golf Course to enjoy. Engineered hardwood flooring throughout the main and second floors, ceramic tile in the bathrooms, mudroom and entryway. Hardwood staircases with black metal spindles and wood rails lead up to the second floor and down to the basement. Upstairs, the primary bedroom features a walk-in closet, large window with golf course view, 9000 BTU heat

pump and a 5 piece ensuite bath with a double vanity, custom tile shower, and soaker tub. The second and third bedrooms, full bath and laundry room (equipped with Electrolux washer and dryer) complete the second floor. The basement features a spacious rec room with laminate flooring, mudroom and indoor garage access. Ceramic floor covers the entryway, hall, powder room and mudroom. A 10 year LUX warranty, concrete driveway, epoxy garage floor, landscaped lot and did we mention the Tesla charger?!
