A few things get us excited in Real Estate, and a picture-perfect location is one of them. Set 2-minutes from the colorful UNESCO Town of Lunenburg, 10 minutes to stunning Mahone Bay, and 15 minutes to all Bridgewater has to offer, make this bungalow one to see. With the gorgeous setting along a quiet tree-lined country road, on 1.15 acres, this open-concept bungalow is the ideal home for a family of any size. Everything empty nesters need to live comfortably on one level and offer ample room in the lower walk-out basement to not compromise on space. Have a family? For future development, the lower level is partially finished with a massive rec room to one side and a massive second unfinished space to the other. The main level living room and kitchen, with its large eat-up island, is the ideal space to entertain or relax comfortably. Hardwood floors, an energy-efficient heat pump, a dining area with all kinds of windows, a roomy primary bedroom with a walk-thru closet and ensuite with both a stand-up shower and soaker tub and main floor laundry in the main bath are some key features you will appreciate. If enjoying everything life offers is top of the list, we can see you relaxing on the massive back deck, poolside, all summer long! Paved drive off the main road, and fantastic neighbors should finish checking all the boxes.
