3 Bedroom, 1.00 Bathroom, 1,072 sqft

Residential

C1, Bridgewater, NS

Why compromise when you can have it all~ There is absolutely nothing "mini" about this home. From its quiet setting at the end of Eisenhower park, mature landscaping, and spacious private deck to the functional and extremely stylish layout inside. Prepare to be completely in love with this 3-bedroom, 1-bath home. There have been numerous updates to its interior design to create a décor that is modern, bright, and inviting. But the best part of living here is its location and convenient one-level layout. Predominantly admired by empty nesters, a more low-maintenance lifestyle has become a way of life for any sized family. Relax by the propane stove in the living room, prepare beautiful meals on the kitchen island workspace, and welcome guests to stay and enjoy their own space on the opposite side of the home. Located within walking distance of all town amenities, including the SSR Hospital, shopping, parks, and a quick commute to the #103 highway. A few key details not to be left out include the paved driveway, a massive shed for storage, a back entrance mudroom, heat-pump, a gorgeous corner lot & all appliances included! If you've been searching for the perfect home to ease into your golden years, or are just starting, don't let this one get away.
