Residential on 0.33 Acres

N/A, St Andrew's, NS

What a beautiful family home! Situated in the picturesque community of St. Andrews, this lovely property offers the best of both worlds - a peaceful rural setting with a school and a community center close at hand, and all the amenities of the bustling town of Antigonish only a 15-minute drive away. A large landscaped, partially fenced yard with a 520 s.f. garage and an outdoor kennel area is home to the 16-year-old two-storey house, which is both charming and spacious. Three good-sized bedrooms and a full bath are located on the second floor, while the ample fourth bedroom and the ensuite are located in the finished basement, providing a fantastic space for an older child, a senior family member or guests. The house is toasty in the winter and comfortable in the summer thanks to an oil-fired furnace, two heat pumps and an electric fireplace in the roomy yet cozy living room, which not only adds warmth, it creates an ambiance like no other! The kitchen with a built-in dining area is ideal for both family dinners and entertaining. The rec room is great for kids and kids-at-heart for a place to exercise, for having friends over and everything in between. Complete the picture with an excellent front porch on which to enjoy a BBQ or simply enjoy some fresh air in the quiet neighbourhood! Welcome Home!
