Hardwood floors run through most of the main level including living room, kitchen, hall & bedrooms. Stainless steel appliances in the clean, concise & bright kitchen showcase an efficient workspace, & the dining room addition is formal or informal at your choosing - with wainscotting & a window for some natural lighting. With 2 BRMS on the main level, separated by a 3 pc bath, & a 3rd possible BRM in the basement, simply needing an egress window, this home could be a great start for a young family. A pull down attic hatch reveals phenomenal storage space overhead. A large living room with a propane stove adds comfort & ambience, not to mention power outage heat security & a sunroom (all seasons) off the front of the house, is a great home office space or peaceful den. The basement offers an open concept rec room, laundry, 2nd full 4 pc bath & the room that could be a third BRM, family room, craft room or larger home office. New roof shingles 3 years ago on the home, & new metal roof on the detached garage, paved driveway, good vinyl siding, a large covered back deck & entertaining space outdoors show the pride of ownership you will see upon entering this gem & at curbside when you drive up. This home is so sweet!
