3 Bedroom, 1.00 Bathroom, 1,368 sqft

Residential on 0.33 Acres

N/A, Glace Bay, NS

Beautiful well maintained older charming home centrally located. The home has had many renovations over the years including most recently new windows, siding and roofing shingles in 2019. The home features hardwood flooring throughout and ceramic in the kitchen, a wood burning fireplace insert, dining room, living room, 3 bedrooms and a beautiful bathroom with laundry. A room in the basement is used as a bedroom, but the window does not meet egress. A neat feature of the home are the two stair casings that access the second floor; one from the kitchen and the other from the living room. Off the dining room is a large outdoor entertaining area with an 18 x 33 fresh water pool that was installed in 2016. New oil tank installed December 2022. Call today for your viewing appointment.
