N/A, North Lake Ainslie, NS

This large acreage has 1400 feet of lake frontage facing south and south-west. A new road has just been built from the highway down to the shore. Also the owner has installed a 12' x 20' cabin at the start of the road. The cabin has power and a 3 piece bath. The property is less than a 10 minute drive from Inverness. The acreage, estimated by map, is between 130 and 140 acres. The parcel is variously 4 to 5 thousand feet long (road to lake) and 1270 feet wide. It slopes very gently down towards the lake. One can walk along the lakeshore for great distances, go fishing, mess around in boats.... Power is at the paved road. Great potential for developing this property, especially at the attractive lake shore. It's under 6 miles by paved road to Inverness for shops, restaurants, hospital, huge sand beach, and Cabot golf.
