Historic charm meets modern upscale decor! This classic two and a half story sits in the desired West side of New Glasgow. Nestled up on the property, this sharp looking house lets the sun breathe in. Hardwood floors dominate the landscape, high ceilings open the space right up. The large foyer and staircase will welcome your guests on each visit. An oversized primary bedroom, jetted bathtub and triple pane windows keeping the heat in on those cold winter nights. The views from the wrap around deck are just sublime. The back yard will host many birthdays and anniversaries - ideal for the Sunday BBQ's! The yard is fenced and has double access to the back deck from the house. Parking is ample here, a double concrete drive with a large carport leads back to an impressive 3 car garage. The very spacious 32x40 garage has high ceilings, is wired and has a wood stove for heat. Lots of room for every toy your adventurous mind has. On top of that, the garage has a separate shop for the handyman's delight. Did I mention the in-law suite in the basement with a separate walk-out?
