3 Bedroom, 1.50 Bathroom, 1,104 sqft

Residential on 0.18 Acres

#20, Stellarton, NS

What a fantastic house to hit the market! Nice sized bungalow in a great neighborhood in Stellarton. Walking distance to the park, pond and sport fields. Large living room and dining area off the kitchen. Let the heat pump make things comfortable in the summer while looking after much of the heat in the winter. The fireplace can help offset some of those really cold winter days. Three generous sized bedrooms plus the renovated full bath finish off the main floor. The unfinished basement leaves things completely to your imagination. Keep it unfinished space for children to play or storage, or finish it off to increase your living space.
