3-A, Halifax Peninsula, NS

Welcome to 5843 Gainsborough Place in Halifax's sought after North End. This walk-up townhouse style condo offers three bright levels of living, each with it's own outdoor space, and views of the Bedford Basin! Freshly painted throughout, the main floor with it's 3 piece bath, bedroom and flex area with patio provides opportunity for shared living, perhaps with a mature student (NSCC is just up the street) or family member. The second floor boasts a charming kitchen (with brand new stainless steel fridge and stove) a sunny living and dining area and the second of 3 patios. The view of the basin from here acts as the perfect backdrop for hosting dinners or just relaxing. Up one more floor, the converted over-sized primary bedroom and ensuite could quite easily be reconfigured back into two bedrooms. Sunlight pours into this level from the third deck, providing yet another stunning view of the water. There's no shortage of natural light in this unit. One underground parking space, a generous storage locker, and it's prime location to bridges, transit, shops and services, make this one worth seeing. Visitor parking off of North Ridge Rd.
