4 Bedroom, 3.00 Bathroom, 2,240 sqft
Residential on 0.33 Acres

#15, Stellarton, NS

I don't know if its the copious amount of natural light, or if it's the all the open space or maybe its because of the size of the lot that I am infatuated with. Welcome to 122 Stellar St located in the historic Town of Stellarton. This large 4 bedroom, 3 bath home is ready for its next chapter. Though built in 1910, the home is practically all new since 2005. From extension's, new foundation, windows, drywall etc; you name it, they've completed it for you. The main floor is so bright, spacious and inviting. The pellet stove in the living room adds this level of coziness and the studious dining room is perfect for game night or special holiday dinners. The lot is long and big. A large 29x24 garage will house your garden tools, toys or even your car. The basement is home to a large rec-room, pantry, two storage areas, a full 4PC bathroom and laundry. The energy this house radiates is so positive and warm. When I get there, I never want to leave. All at 122 Stellar St; we'll put the kettle on!
