3 Bedroom, 1.00 Bathroom, 1,590 sqft

Residential on 0.51 Acres

N/A, Upper Onslow, NS

This property is a well built owner occupied 1960s bungalow made with quality and care. Upgrades over the years have included having the electrical upgraded to circuit breakers in 2012, an upgraded septic, an enlarged bathroom adding a jet tub in an adjacent room and new vinyl windows. With some TLC and modern décor touches, this will be a lovely family home, just 5 minutes from downtown Truro and the Robie Street service district. There is a wood fireplace that's not currently in use, but owner says its chimney could easily be uncapped and inspected for regular use. The living room hardwood floor is a key feature and other floors are vinyl and tile. Included in this sale are the big screen TV above the fireplace, Kitchen stove, fridge, dishwasher along with washer and dryer. Laundry is currently on the main floor but could easily be reconnected to existing plumbing and wiring in the basement utility room. The oil furnace is in good working condition and its insured double steel fuel tank is in good shape, with fuel consumption averaging about 2100 litres per year. There is a 10'x18' Tractor shed just off the driveway.

Built in 1963
