4 Bedroom, 2.00 Bathroom, 2,194 sqft

Residential on 0.23 Acres

C1, Bridgewater, NS

Centrally located in Bridgewater, on a quiet tree-lined street, sits your next address. 21 Albert St. is precisely what your family needs. Spacious split entry with the potential to be a 5-bedroom home! The main floor has a bright open floor plan between the living and dining room. The kitchen offers a large island and tons of cupboard space. 3 of the 4-bedrooms can be found on the main floor, along with the main bath. The lower level is an excellent area for those who crave more room! A generous rec room, 4th bedroom with office space, side entrance that walks into a room that easily could be an additional bedroom, den or home office, laundry and storage room complete this level. Keep heating costs low; summers cool with the main floor heat pump. The large deck opens to a lovely backyard with mature landscaping and several low-maintenance perennials. This location is one to fall in love with, so central to King St to take a stroll in the evening to Lahave Landing and watch the boats in the river or grab a beverage or dinner at one of the many places along the upper portion of King St. If you've wanted to own a home, that is affordable and offers potential to remodel to your liking, this is one to consider!
