ISLAND VIEW FAMILY HOME IN CHESTER is welcomed to the spring market! This 3 bedroom 1 bath bungalow showcases pride in ownership throughout as was well-loved and cared for decades. Located in Chester, in a quiet family neighborhood, and backed on the rails to trails makes this the perfect family or retirement home. This home should not go unnoticed, as thought and precision were instilled in the details. The square footage continues on the bottom level, where you will find a propane stove, an oversized rec room, a handyman's workshop, a laundry room with sink, and more storage. The backyard boasts a gazebo and another propane stove perfect for those chilly nights, and 2 outbuildings, one of which houses a 9000W fully wired generator in its permanent location.
