3 Bedroom, 2.50 Bathroom, 2,350 sqft

Residential on 1.11 Acres

N/A, Stewiacke, NS

"The TOTAL Package!" This incredible 3 year young custom built 3 or 4 bed 3 bath beauty checks off all the boxes! The 1 acre beautifully landscaped property is located on a quiet dead end street just minutes from all amenities.

There's plenty of paved parking and the detached finished and heated 1.5 story garage has room for all your toys and even has its own heat pump. This stunning high-end home started with an insulated concrete foundation and features exposed beams, cathedral ceilings and plenty of glass for a light bright natural feeling throughout. The main floor features the open concept kitchen dining living area with custom island that includes room for storage and seating; this is the perfect space for family time and entertaining friends. The large primary bedroom includes tray ceilings, the ensuite bath and walk in closet. This level also features a large laundry area, main bath, and office space [easily the 4th bedroom] which is found just inside the main entry for ease and convenience. The lower level offers two additional great sized bedrooms, a spacious rec room with handy walkout to the rear yard, and tons of finished storage area. There are 3 ductless heat pumps to ensure cool summers and low heating costs. The above ground pool completes this picture. This is a " MUST SEE" property! Book your private viewing today.
