1 Bedroom, 1.00 Bathroom, 784 sqft

Residential

C1, Bridgewater, NS

Affordable in the heart of Bridgewater! This 1 bedroom mini home originally had 2 bedrooms but the current (and original) owner converted the second bedroom into a den which opens up the living space! This would make a great home as is, for a single person or a couple, or the den could be converted back to a bedroom. Being in Eisenhower Place, near the end of a short cul de sac, makes for quiet, peaceful, but convenient living. One unique feature of this mini is the skylight in the bathroom, which provides lots natural light! The home comes fully furnished, if so desired, and had 30-year shingles installed in 2015. It's also nicely landscaped with 2 paved parking spaces and a shed for all your storage needs.

Built in 1994
