PRIVATE ACREAGE at the end of MacLeod's Lane in Cape North with a historic FARMHOUSE that is ready for you to restore!! This 19 ACRE property is seemingly level and was once cleared to provide acres of good land. See yourself opening this property up to develop or divide. Touching the Cabot Trail on one border and currently accessed by a driveway off of MacLeod's Lane. From this property you can jump straight on to the nearby cross country ski trails in the winter! A great opportunity for winter cottages. The home sits on a concrete foundation, is serviced by well and septic and is heated by a large and newer wood stove + electric baseboards. The home will require a new roof immediately and other upgrades, but once renovations are completed you will have yourself a large character home. Can you see yourself with a farm in Cape North? How about land for cottages? Divide in half and sell off a portion to fund your renovations. Just some of the ideas for those with a vision. Located a short distance to grocery and convenience. Nearby trails, beaches and more to explore - this property must be seen! The home is being sold 'as is, where is'. Septic will not be uncovered or pumped out. Book your viewing today and see this one while it is still on the market.
