Looking for a quality home located in a desirable neighborhood, and close to the Sackville shopping centers, bus routes, terminals and easy highway access in HRM? We have you covered. This 2-storey home was built in 2006 and features a few upgrades and notable mentions you will not find in most of the competition. The home itself features 3 levels of living, Primary bedroom with a full ensuite bath, plus 2 other bedrooms on the top floor, a traditional main level semi-open concept with 2 spacious rooms, and in the lower level, another rec room to enjoy plus a separate office/Gym/ guest room. The house has a ground-level walkout from the lower level and also an exit to the back yard that is fully fenced perfect for kids and pets and leading to your heated wired and insulated, large double detached Garage out back. The property lends itself nicely to multiple parking spaces as the large paved area can fit campers, trailers and multiple vehicles plus cuts down on lawn maintenance. Speaking of maintenance, the house and the garage have quality steel roofing that will last for years, so no concerns about the replacement for a couple of generations possibly.
