Welcome to The Keep! One of Halifax's most centrally located and luxurious condominium complexes! This corner unit offers excellent balcony views overlooking the quiet and beautifully landscaped courtyard below. When you step out onto your 96 sq foot balcony you feel far away from the hustle and bustle of downtown Halifax, though you're only steps away. This unit has a very spacious master bedroom with a 5-piece ensuite bath and a very large walk in closet. There is also the convenience of a secondary bath for guests. The light-filled living room, dining space and kitchen are perfect for entertaining, especially how private it is while allowing so much natural light. The Keep's ideal location allows you to take a walk to many amazing shops, restaurants, as well as parks, schools and the hospital. Grab a pizza or beer at Morris East or Propeller on the street level of the building, a coffee at Dilly Dally across the street, or a dip in the public pool at the Commons a block away! The building allows animals if you have a furry friend to join you. With deeded parking and storage you'll never have to worry about parking in the downtown area again! This one will go quickly so book your showing today!
