4 Bedroom, 1.50 Bathroom, 3,112 sqft

Residential on 0.29 Acres

C1, Bridgewater, NS

Spacious home waiting on a new family! This home is laid out to maximize its use. The kitchen has nice cupboards and a large island so meals are done easily. From there you can stroll to the living room and into the dining area. Lots of extra space for the extend family to come for meals. The master and beds on this level are ample in size along with a large full bath. Downstairs has a great family room that you can cozy up to the wood stove, have a game of darts or spend your time relaxing. Lots of storage on this level along with two rooms that could be used as offices. The laundry , utility and half bath are also on this level. The outside is as nice as the inside. There's an above ground pool with a large deck to enjoy time with the kids or to just sit with a coffee. There are two storage buildings , one is wired and has a loft. Still lots of room for children or pets to play in the yard.

Built in 1979
