Welcome to this delightful family home & garden nestled in the heart of Halifax's vibrant West End. Walking distance to many amenities, it's also located within the Tupper School district, which makes it ideal for a family with young children. 2565 Poplar St. underwent a significant renovation including a new foundation and addition, which makes for a modern home with some classic charm. Bright, open concept main floor features large rooms – living, dining and kitchen, where there is room to host a crowd. The 2nd level has 4 bedrooms, a full bath, and an office. The basement hardly feels like it – with high ceilings, a large recroom/theatre/gym, a laundry room, 2nd full bath and large utility room. Outside is a large front garden space with room for games, a wired & heated shed, and a deck for morning coffee and BBQs. Practical updates like heat pumps, keep you cool in the summer and high efficiency wood burning fireplace heats a good portion of the home in the cooler months. Classic charm, modern appeal, this home is waiting to welcome the next generation.
