Residential on 0.14 Acres

25-D, Halifax, NS

Millwood Subdivision is an excellent location within walking distance to Schools, Millwood Parks, Common and Shops. Quick access to highways to either Halifax Bedford or the Valley is one of many reasons this area of Middle Sackville is so popular. Here is an opportunity to purchase a home in the area at a price that allows for the improvements required. For anyone with some home improvement skills, even better the investment potential. Some sweat equity will really pay off for those willing to get their hands dirty, but at this price you can also justify hiring the help you need and feel confident in a sound investment. This is a wonderful area with great neighbours and community. All you have to do is drive around to see the pride of ownership and all you have to do is look at what neighbouring homes sell for in the area to know that this is the kind of opportunity that is coming to market less frequently and that will not be around for long.
