THE DREAM YOU HAVE IS HERE.. You know the image; the classic 2 storey farmhouse with 18 acres of land. Located far enough in the country to allow you to feel nature. Here it is in Middle Stewiacke on Hwy 289. 18 acres is a lot of property when youâ€™re standing in the middle of it, deciding what to plant in your garden or checking on the wildlife as it passes through. The house is great too. Three bedrooms plus a den upstairs. The main level is surprisingly open which allows the woodstove heat to easily circulate. The bathroom is a real eye-opener with its deep water jet tub and separate shower. Small details like the old door knobs and huge trim will remind you that this home has history. Modern conveniences like the heat pump are welcome during those hot summer days. Time to put your dream into action. WELCOME HOME.
