Residential

C2, Wileville, NS

Absolutely immaculate, 2 year old mini home located in Victoria Ridge just outside of Bridgewater. This mini home does not feel mini at all with its 1,152 sq ft of living space. There is a gorgeous kitchen with plenty of counter space, an island and a huge pantry. The spacious living room has a ductless heat pump for all of your heating and cooling needs. The large primary bedroom features a full ensuite with jetted tub, stand alone shower and walk-in closet. The second bedroom is at the other end of the home which is great for privacy and the second bathroom is just outside the bedroom door. The appliances that are included are also only 2 years old. Outside there is a nice deck and a 10' X 14' shed for extra storage space. There is even a Generlink plug at the power meter to hook up your generator if the power goes out. This truly is a move-in ready home.
