Heaven in Nova Scotia's Lake District. Christy Lake near Goshen is one of the larger lakes in this area of outstanding beauty. Here is your chance to find the perfect setting for a cottage or camp to situate an RV. Tis 4 acre plot is crossed by a truck giving access to the densely forested lot that goes right to the lake where you can enjoy all 185ft of private frontage. Sited next to Crown Land means you will not have neighbours, and as the other plots all down the side of the lake are vacant you have the lake to yourself! Bald eagles fly over head, deer and local wildlife roam the area and the lake is ideal for paddling, canoeing, fishing or just relaxing. Release your inner woodsman, go back to nature with this serene location and yet just 30 minutes from Antigonish and all the town has to offer.
