3 Bedroom, 1.50 Bathroom, 1,752 sqft
Residential

3-A, Halifax, NS

This condo townhouse is located on a quiet street in the North End and is all set for a new owner to call it home. With the help of a professional designer, the kitchen has been very thoughtfully updated with custom components throughout. With wood shaker style cabinets, tile backsplash, corian countertops, slow-close doors / drawers, broom closet, kidney-shaped corner shelves, and a desk space - this kitchen is a show stopper. The open living room space gets lots of natural light and has a patio door that leads to a balcony overlooking the backyard green space. Upstairs, there are three bedrooms and a full bathroom. The primary bedroom is spacious and features a walk-in closet. The other two bedrooms are a good size, and one of them has custom built-in shelving on the wall. Down on the above-grade lower level there is a half bathroom and laundry room, access to the garage, and the finished rec room with a walk-out to the back patio.
