Visit REALTOR website for additional information. With an energy efficient electric boiler & heat pump, you'll stay warm in the winter & cool in the summer! Other upgrades include a newer roof, windows, flooring (main floor), subway tile backsplash & fresh paint. Inside, the main level features a living room, separate dining room & kitchen. Off the kitchen there is a porch to keep all outdoor gear tidy. Added bonus; the dining room has piping in place & a ceramic hearth for a pellet stove! Upstairs, there are 3 beds & the 4pc bath. The basement has space for storage. The electric boiler, hot water heater & other utility items are found here along with the laundry facilities. The backyard is just big enough! Featuring a garage, additional storage shed (both with a brand new roof!) a good size yard & deck completely enclosed by a commercial grade fence; great for kids & pets!
