Land on 4.60 Acres

C2, Mount Pleasant, NS

If you can't decide where to build your new home, how about right between town and the beaches! This 4.6 acre lot is nice and level off the road and is your blank canvas to paint the picture for your new home. With the right removal of trees it has the possibility to enjoy distant views of Huey Lake, which is just a short walk down the road. Located on the Mount Pleasant Road, only a short drive to the white sand beaches of Risser's and Crescent, and the villages of Petite and Lahave. In the opposite direction you are equally close to all the amenities of Bridgewater. Affordably priced so you won't break the bank on your new build. But if building isn't in the near future, a location like this might just be the perfect spot for your camper or cottage until you make more permanent plans. Come enjoy life on the South Shore.
