UPDATED INTERIOR of this home must be seen. Nearly everything inside this home has been updated or replaced with the renovation finishing in late February. Walking in to the bright, inviting kitchen with a brand new stove, freshly painted cabinets and brand new flooring is a great start to this property. The living room has a large picture window (2022) and is perfect for relaxing. The upstairs also has an updated bathroom and the first 2 bedrooms. Going downstairs you land the other living space which gives you an additional space for your family. The half bath and 2 additional bedrooms have all also been updated. Downstairs there is also an unfinished space that had previously been a second kitchen - this home could also be put back to a 2 unit home if desired. The updates in this one need to be seen.
