MLS® #202403882

\$15,000

Bedroom, Bathroom,
Land on 0.23 Acres

D2, Caledonia, NS

Nice lot that is in walking distance to all amenities. There home that is currently there has lost its footing but would make a great lot to build a new home on. The house is NOT safe to enter. It would make a great start for anyone looking to rebuild. The septic is municipal and there is a drilled well on the property that could be used. This lot offers privacy as you are above the road so its quiet too. Help breathe new life back into this great property.
