2 Bedroom, 1.00 Bathroom, 896 sqft
Residential

C1, Bridgewater, NS

Looking for affordable housing in the Town of Bridgewater? This mini home could be the place for you. Over the last 4 years it has undergone a transformation to bring it out of the 1980's. New flooring in most rooms, painted throughout (including the kitchen cabinets), new baseboards, new hardware on kitchen cabinets and interior doors and new range hood. The home was originally a 3 bedroom home but the current owners took the 2 smaller bedrooms and made it into one good sized bedroom. It could easily be turned back into a 3 bedroom, if you moved in and decided you need more bedrooms. Outside, new skirting was installed and a brand new 8' X 32' privacy deck was installed. The roof was resingled in 2020. With affordable housing getting harder and harder to find, you don't want to miss out on this one!

Built in 1984
