This home is minutes to the popular Renwick Brook walking trail, Queen Elizabeth Park and tennis courts; as well as being close to schools, the downtown core, amenities and shopping. A quick drive will take you to one of many beaches the area has to offer. Entering at the front of the home, you have a nice covered front step area which offers a reprieve from any weather or a nice place to sit and enjoy the day. From here you come into a foyer area with coat closet and to your left is the living room that faces the front of the home. Moving towards the back, you enter the spacious kitchen and dining area that offers plenty of room for family gatherings, weekend baking or a leisurely coffee at the island. Appliances, including dishwasher, over the range microwave, stove and refrigerator, will all remain with the sale. The dining area is spacious and allows for a large table and hutch or however you choose to decorate. There is a set of patio doors located in this area that lead to the sunny deck which overlooks and accesses the backyard. Moving down the hallway you will find the Primary bedroom (12 x 16) with double closets; the spacious 4-pce bathroom with stackable laundry and the 2nd bedroom (12.9 x 11). Heading downstairs there is a large family

room area (the sectional couch will remain), utility room, 3rd bedroom with egress window and a second 4-pce bathroom. No need to worry about wiring, furnaces, plumbing, insulation values etc. as this home is just 6 years old. Call today to make an appointment
