Your opportunity to live and work in one of HRM's most-sought after communities is finally here! Welcome to 2358 St. Margarets Bay Road, a lovingly maintained family home in Timberlea that has had the same owner since 1978! This house sits on a desirable residential/commercial half-acre double lot (C-2 zoning), which allows for a multitude of uses including offices, personal service shops, trade services like auto repair and so much more (please see documents)! If you're looking to expand your home-based business this is the place for you! This zoning allows for pretty much any business your heart desires. Set back from the road, you will note just how wide and accommodating the driveway is. Park next to the convenient basement-level walkout or around back where you will find multiple parking spaces, a lovely yard, a huge patio and a large single car garage. Step inside and find a classic mid-century layout with gorgeous wooden trim, an open concept living & dining area with stunning hardwood floors that is absolutely drenched in natural sunlight thanks to the large 10-year-old windows. A beautiful brick hearth in the living room brings dimension and warmth to the room (a woodstove can easily be installed to make it even more cozy!). The kitchen has been well-maintained & features ample counter & cupboard space, as well as all your kitchen appliances. Updates include 3 heat pumps, a new H2O tank and fresh paint throughout. A large primary bedroom, second

bedroom and a full 4 pc bath complete this floor. The lower level features a freshly finished massive rec room, an additional bedroom, a large laundry/storage room and a full 3pc bath. This floor can be easily converted into an inlaw suite, a rental unit or could be the perfect location for your home-based business! Located near The Links at Brunello, Rails to Trails bike path, The Bluff hiking trails, Highway 103 and just moments from Bayers Lake shopping district. This property is a MUST-SEE!
