Residential on 0.21 Acres

C1, Bridgewater, NS

Welcome to this great family home, centrally located in Bridgewater. This 3 bedroom, 1 bath home has lots of natural light throughout and a great backyard for your 2 or 4 legged kids to play in. The main level has a nice, functional flow to it and spacious bedrooms. If you need more room, the rest of the lower level could be finished. Currently there is a large family room that is finished and the rest is unfinished space. Since the home is a split level you have good sized windows in the lower level to give you lots of natural light down there as well and high ceilings. If you are looking for a move-in ready home you will appreciate the renovations that have been done over the past few years.
