MLS® #202413055

\$499,000

4 Bedroom, 2.50 Bathroom, 3,340 sqft

Residential on 0.23 Acres

C1, Bridgewater, NS

We don't want to draw attention to the fact that our sellers don't really want to leave because if you lived here, you wouldn't want to either. In-town amenities, but that out-of-town feel. Backed on a green space, you can enjoy that above ground pool, massive deck, and patio seating area shockingly more private than you think. Set in a quiet cul-de-sac for low traffic. If you love mowing like we do (this is not true), there is only a tiny strip in the back that may take 5 minutes. This home has every inch of the over 3340 sq ft finished. Roomy enough for your big family, with its 4 bedrooms, yet low maintenance enough for empty nesters to enjoy life on one level without sacrificing space and still have room for guests when they visit. An expansive floor plan with two bedrooms on the main level and two bedrooms in the lower level, 2 1/2 baths, main floor laundry, walk-in closets in the ensuite, tons of storage space, office space, eat-in kitchen and formal dining area on the main level family room and lower-level room, we are pretty sure there is enough room for everyone. New flooring, newer heat pumps for energy-efficient heating & cooling, gym space, updated roof and oil tank, and attached garage. If this one doesn't grab your attention, you might kick yourself later.
