Cottage goers!! Welcome to Long Lake. And trust me it doesn't get any better than this! Build your dream home, Cottage, family compound, or get an RV or tent and call this lake your home! Long lake is 15 minutes to Bridgewater and 60 min to Bayers Lake. Great for boating (small outboard) Jet ski, or do what my family does and grab a tube! There is a nice mix of year round and seasonal homes on this lake along with a Baptist summer camp! This land would be off grid so solar is the way to go! The sunrises here are second to none and the lake water is crystal clear as the lake is spring fed. If you like fishing the bass are plenty along with trout. The view from this land is amazing with the farm up on the hill, you can hear the cows moo and it echo's across the lake! This is the perfect opportunity to be lake front on a nice quiet lake. Sit back and watch the loons, ducks, geese swim by. Call today for more info!
