Residential on 0.28 Acres

N/A, Antigonish County, NS

This 3-bedroom 1.5 bath home is located in a sought-after subdivision in the community of St. Andrews and it would love to see your family become the next owners. As you enter the home you are greeted by closed foyer, so no winter winds come rushing in with you. The main floor has a bright and airy feel due to the open concept living area and eat-in kitchen with dinning nook. The patio doors lead you to the back deck and to the landscaped and fenced backyard, great to keep pets and little ones for wandering off. The main for is completed by a 2-pce bath. Moving upstairs you have 2 spacious bedrooms for the kids or guests and bright primary bedroom with walk-in closet. There is a full bath on the second floor as well a laundry space, so no hauling clothes up and down stairs. The lower level is finished with a rec- room that the sellers also have used it as a 4th bedroom. The basement is rounded out by a utility room and storage area and could potentially be made into another bathroom. The sellers have replaced the flooring on the main and 2nd floor and the lower level was completed when they purchased it. There is a generator panel for back-up and the lot has plenty of space to add a detached garage in the future. This is a must see, dont delay!
