Residential on 0.15 Acres

V3, Greenwood, NS

Simplicity and affordability combined! This semi attached home is located in the heart of growing Greenwood, a short walk to all amenities and CFB. Two good size bedrooms and a 4pc + laundry on the lower level. Upstairs, you will find an open concept layout with spacious rooms and a convenient half bath. The kitchen has a sophisticated feel with its espresso oak cabinets, subway tile backsplash, composite double sink, and three included black appliances. Children or pets can safely play in the fenced backyard under the oak shade tree. Within the past 10 years, this property has had the roof shingles replaced front & back, new deck boards, replaced sewer line with backwater flow valve, and all new vinyl windows + steel doors. The installation of a heat pump, new hot water heater, and added attic insulation add to the energy efficiency. A small storage shed and garbage bin complete the package!
