Land on 84.89 Acres

N/A, Upper Glencoe, NS

Five parcels make up this 500+- acre listing. Accessed by a gravel road it feels remote, but, it is just 17 kms from Whycocomagh and the Trans Canada Highway, and about the same to the villages of Mabou or Port Hood. The old house located at #390 MacKinnon Rd burned some years back, but there is power to the site. There is also an existing spring fed well, and, an existing septic tank. There is a highspeed tower (Seaside) located on one parcel, yielding about \$1600/year under lease, due to be renewed c. 2025. Cell service is great and wifi available. Some cutting of softwood has recently happened. A stand of rock maple, described as being approximately 40 acres, is up the hill from the house site. The closest neighbour is about 1km away.
