West end beauty! This 3 bedroom, fully renovated home, is located in the heart of the west end on a quiet cul-de-sac and is situated on a large 6000 sq. ft. fully fenced lot. All the major components have been updated and the list of upgrades is long. Featuring a gorgeous primary suite with a spa inspired ensuite, a new kitchen overlooking the backyard, and a gorgeous main floor bath & laundry. A quiet rec room is tucked away on the lower level along with an office area, a potential 4th bedroom, and plenty of storage. The hot water baseboard heating is fired by a new propane boiler and ductless heat pumps provide heat and A/C on 2 floors. The backyard has a sheltered hot tub for year round, all-weather soaking. A backyard shed is large enough for your gardening tools and the attached garage with its 10 ft ceilings and in-floor heat is a great bonus! The exterior has been totally renewed - a new metal roof, architectural siding, vinyl windows & doors and composite decks all elevate the curb appeal of this home. Just move in and enjoy!
