Embrace the charm of country living in this cozy, affordable home, nestled on nearly 2 acres of peaceful land. Set back from the road for maximum privacy, this home is surrounded by mature hardwood trees, offering a tranquil retreat just a short drive from the friendly communities of Elmsdale and Enfield. As you step inside, you'll feel right at home with a layout that's both efficient and welcoming. The foyer opens into a warm and inviting living room that flows into a dining area, where large patio doors lead out to your own private slice of nature. The kitchen, with its plentiful cabinetry and shiny stainless steel appliances, is perfect for whipping up homemade meals after a day spent outdoors. Down the hall, you'll find three cozy bedrooms, offering a quiet escape at the end of the day, and a spacious bathroom with a skylight that lets the natural light pour in. The lower level is an unfinished canvas, ready for you to add your personal touch, whether that's a workshop, family room, or extra storage space. The flooring is laid, the drywall hung - just needs a finishing touch by you! There is also plumbing roughed in for another 4PC Bath in the Laundry Room. With two newer 18,000 BTU heat pumps to keep you comfortable year-round and a fresh metal roof installed in 2020, this home is ready to welcome you with open arms into country living at its best.
