3 Bedroom, 1.00 Bathroom, 900 sqft

Residential on 0.33 Acres

C1, Bridgewater, NS

Looking towards the walking bridge of the Centennial Trail and the Lehave river, this unique 3 bedroom home gives a rural setting with the ability to walk to most everything Bridgewater has to offer. In fact the trail crosses the back of the property. Whether you want to walk 10 minutes to work at Michelin, around the corner for groceries at Fresh Cuts, take advantage of all the facilities at the Lunenburg County Lifestyle Centre, take the trail into town or hop on the highway, this location offers something for everyone. The rounded windows bring morning light into the large kitchen and living room where the woodstove does a great job doing most of the heating. Wood floors throughout most of upstairs and lots of space to develop downstairs, including the built in garage. This home is solid. Outside you have a large (12'7 x 12'4) shed for storage and or workshop, another outbuilding (16' x 12'4) used as a bunkie and small greenhouse. Trees to the side and back of the property give privacy from trail and neighbours and the sounds of a small brook to enjoy sitting at the outdoor fireplace. Come view the possibilities.
